THE
TALK**

Drop Your Boss

Our Tamariki overcome many obstacles in this ever-changing world... so we are asking bosses across New Zealand to accept their own challenge, go outside their comfort zone and take part in Drop Your Boss!

This year we dare to be different and have added the 360 Skywalk to our challenge. Groups of 6 will walk their way round the top of New Zealand's tallest building. With no handrails to separate them from the 192m drop, they'll be stepping out of their comfort zones.

If that's not up your alley, then sign your Boss up for SkyJump to plummet 192 metres off the Sky Tower at breath-taking speed.

Once you're signed up, our team will talk you through next steps, which include setting up a fundraising page on Give-a-Little and then it's all go!

Would your boss be up for it?
