

HELP GUIDE OUR YOUTH!

Career Navigator is a ready-for-work programme that is designed to help secondary school students find a meaningful career pathway upon leaving school.

Career Navigator is designed for youth and is delivered in partnership with schools and workplace employees. It provides students with the real world information they need to make better informed decisions about their futures.

Whilst also providing an effective platform for employers to offer mentoring and active learning opportunities. The Graeme Dingle Foundation has been successfully partnering with schools and communities for over 20 years.

Check out what previous mentors have said [here](#).

More information

Group Career Coaching/Mentoring takes place in terms 1 to 3 (Year 12 and/or 13). Career Coach/Mentors will provide expertise to support the development of a group of young people in a specific vocational area of work. Ratio is no higher than one Career Coach/Mentor to 3 or 4 students.

At least once a term, the co-ordinator arranges an outing to build the Career Coach/Mentor-student relationship. These outings are 'side by side' time where interaction can occur freely between the Career Coach/Mentor and students.

What is the time commitment required of a Career Navigator Mentor

When you mentor a Career Navigator student you'll be signing up to a 3-4 month commitment (depending on term timetables) to mentor a group of students as part of career coaching. You'll meet with your students on a fortnightly basis in a workshop type setting.

"Thanks so much for helping get me into the mentoring programme. I'm really enjoying the opportunity and have been paired with three awesome students and really feel I will be able to add value to them and I'm sure I will also learn stuff from them."
