Drop Your Boss

Our Tamariki overcome many obstacles in this ever-changing world... so we are asking bosses across New Zealand to accept their own challenge, go outside their comfort zone and take part in Drop Your Boss! Sign your Boss up for SkyJump to plummet 192 meters off the Sky Tower at breath-taking speed. Once signed up, our team will talk you through next steps, which include setting up a fundraising page on Give-a-Little and then it's all go!

Would your boss be up for it?
