
HIGH FIVE MOMENT

WITH DINGLE SUPER STAR **JOSEPHINE LOLOHEA**

High Five Moments are when we celebrate the success of one of the students who has taken part in our programmes. This week we caught up with Josephine Lolohea from Flaxmere College.

STUDENT	Josephine Lolohea
SCHOOL	Year 13, Flaxmere College
ACHIEVEMENTS	2020 Dux + lots of sporting accolades

Josephine's takeaways from the Project K and Career Navigator programmes:

PROJECT K

- How to be independent and also work in a team
- The three-week wilderness camp meant leaving family; getting fit; becoming focused; the hard tramps gave resilience, teamwork, and independence
- Big learning: "I know I can last a couple of weeks without my mum"
- Helped add direction for sport and her part time in working at McDonalds by having an attitude to always helping out

CAREER NAVIGATOR

(Josephine's eyes sparkled when she talked about the difference the programme has made for her)

- Helped with budgeting and she will never get into 'bad types' of debt
- The interview practice gave confidence and experience
- Learning SMART goals that have helped with personal, school and uni goals
