

Kia Ora

Term One Inspirational Kōrero from the Graeme Dingle Foundation Hawke's Bay team.

All go! That is what it feels like for our team at the moment. It is exciting times with two new schools, Heretaunga Intermediate and Ebbett Park School on board this year. Our team are focused on delivering outstanding programmes to empower tamariki and rangatahi across all seven schools. The support from our community is essential to the delivery of our programmes. Thank you for being part of our team.

Programme Snapshot

The programmes run by the Graeme Dingle Foundation are evidence-based and continuously evaluated. Our team have amazing resources to build fresh and engaging content each term. Each term newsletter, we will give you a snapshot to give you a greater understanding of the work being carried out with our tamariki and rangatahi.

Here are the underpinning values for the Kiwi Can programme. They are four themes and 24 modules that are delivered during the school year. These values can be taken into your home and workplace.

POSITIVE RELATIONSHIPS <i>Whakawhanaungatanga</i>	INTEGRITY <i>Pono</i>	RESILIENCE <i>Taikaha</i>	RESPECT <i>Manaakitanga</i>
<ul style="list-style-type: none"> Positive Communication Co-operation Friendship Fairness and Fairplay Leadership Conflict Resolution 	<ul style="list-style-type: none"> Honesty Responsibility Reliability Making Good Choices Being a Role Model Accountability 	<ul style="list-style-type: none"> Understanding Emotions Self-Control/ Discipline Dealing with Challenges Goal Setting Problem Solving Perseverance 	<ul style="list-style-type: none"> For Ourselves Respectful Communication For Others For our School For our Community For our Environment

High Five Moment Respect & Affirmations

Each day, our staff get 'High Five Moments' when they feel like they have made a real difference. Here is a High Five Moment from Kiwi Can Co-ordinator and Leader, Cass who was teaching our respect theme of the Kiwi Can programme.

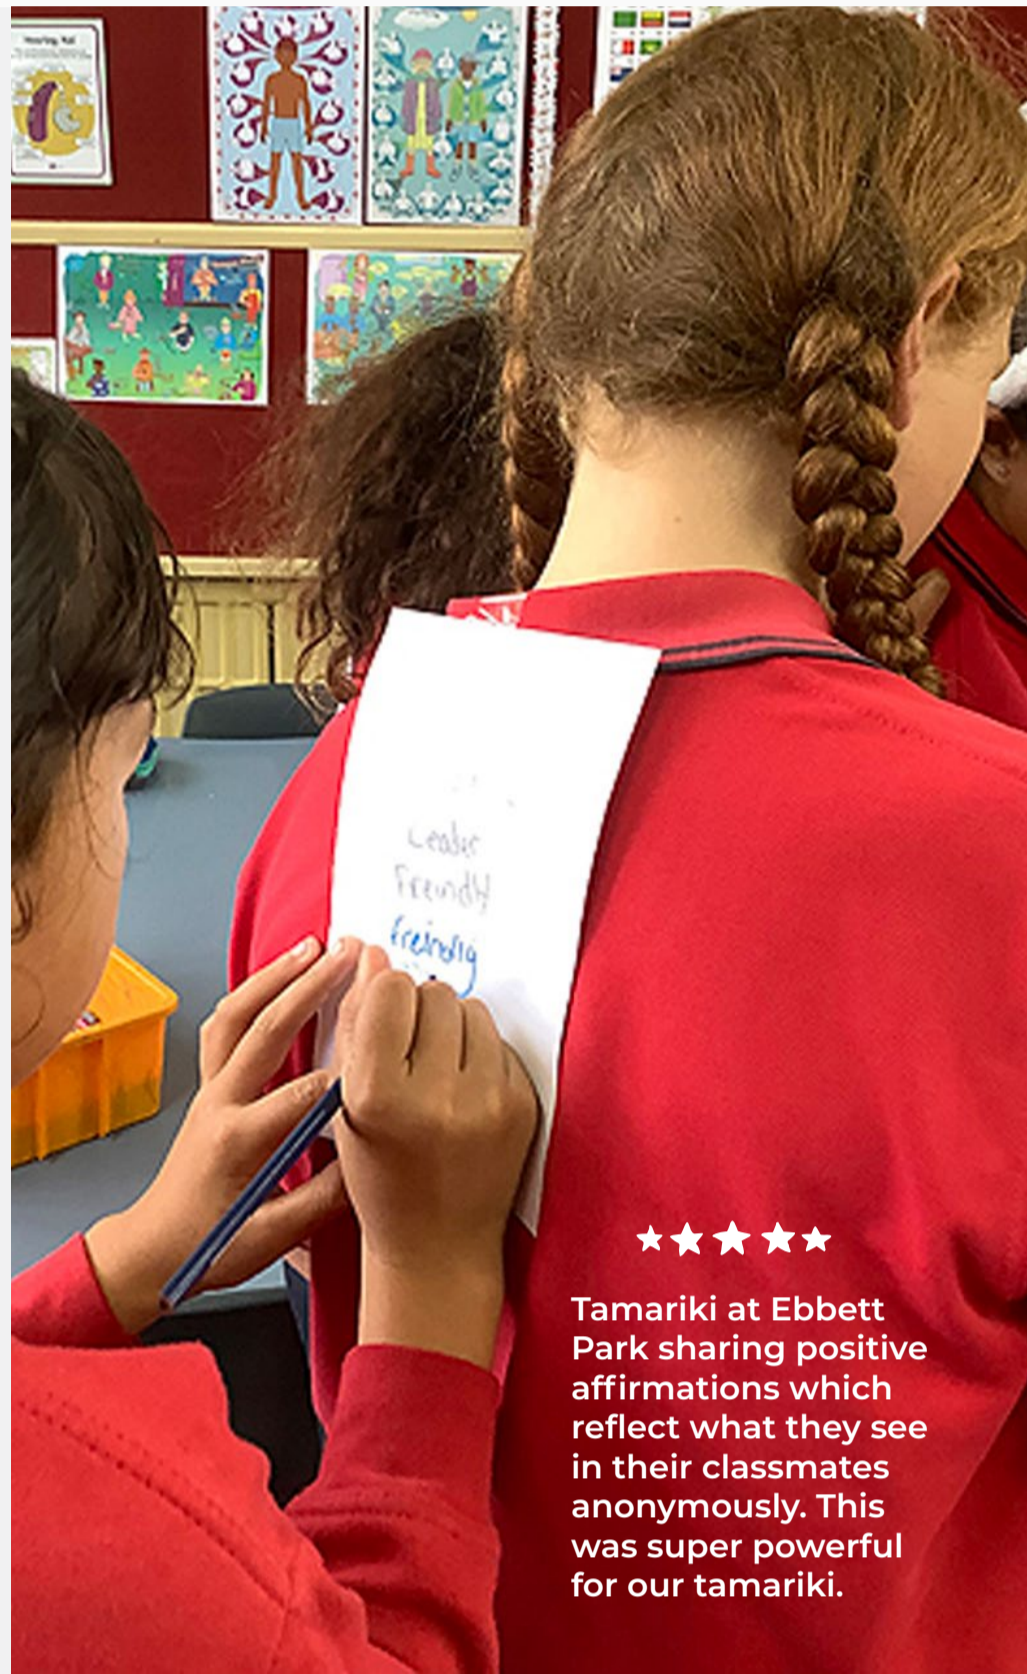

THEME *Respect*

LEARNING INTENTION Accepting our uniqueness and believing in ourselves. Recognising that respectful ways of talking and acting may change depending on where we are and who we are with.

HOW TO ACHIEVE THE OUTCOME Tamariki stick a piece of A4 paper on each other's back, then walk around and write on each other's paper.

OBSTACLES Often the tamariki will not know how powerful their words are and how they can stick. Tamariki will even choose to focus on negative words rather than the positive. It's a great opportunity to talk to tamariki about how words affect people and focussing on the positive is life changing.

REAL MOMENT Demonstrating the power of words, one tamariki in the class made our hearts melt. I asked if anyone wanted to share what had been written on their piece of paper. One girl said she would and read "you are amazing". She said that no one had ever said that she was amazing. I asked her how it made her feel and she said it made her feel really good about herself and her eyes started to well up, and so did mine.

Kiwi Can 'Class of the Week'

This year we have introduced the 'Kiwi Can Class of the Week' trophy. Each class that has so far won the trophy have been super excited (after all, everyone loves a trophy). In week 8, Hastings Intermediate Room 10 took out the trophy with their awesome Kiwi Can values, respect, and the input they all contributed to the programme.

How your help is making a difference to Hawke's Bay kids

We've been busy. Reaching more tamariki and rangatahi.

1,200+

Number of Kiwi Can and Career Navigator STUDENTS

7

Number of **SCHOOLS** our team deliver our programmes to...

6 Kiwi Can Schools (Camberley School, Ebbett Park, Hastings Intermediate, Heretaunga Intermediate, Te Kura o Paki Paki, Te Kurra o Kimi Ora) and **1 Career Navigator School** (Flaxmere College)

CAREER PATHWAYS

We need businesses to get involved with the Career Pathways Day at Flaxmere College in June.

It is an engaging and interactive event, where rangatahi explore career pathways with local businesses and institutions.

The day is targeted for years 10-13 to help them make subject, course and career decisions based on a realistic understanding of what it is like to work in different jobs. One of our main points of difference is the high levels of interaction with employers through gamification, which incentivises students to engage in deeper discussion and discovery than traditional careers days.

Help students open their horizons and see the opportunities. Employers tell us they find this a much more engaging and fulfilling experience for them too. If you are keen to be involved, please contact Ashley on 022 621 5490 or ashley.toye@dinglefoundation.org.nz

"We thoroughly enjoyed being there! Some of the kids certainly knew their way around the tools and have will have bright futures in the trades industry. Was such a great initiative with the monopoly board and we hope the students got a lot out of it. We will definitely be there again next year!"

Tumu Timbers/Tumu ITM

"The different range of careers that we could learn and choose from"

Year 12 student

Over the holidays, why not learn a little more Te Reo Māori with your whānau?

Tamariki are always on the move - skipping, running, jumping. Here are a few Te Reo Māori words that you can add to your vocab.

Oma	run	Tupana	bounce
Tūpeke	leap	Huri	turn
Porotītiti	twirl	Piu	skip

Each term newsletter, we'll give you a few more words and phrases to learn. Our team are continuously learning Te Reo Māori. Let's do it together!
