- ★ Premium bone in ham starts with quality NZ grown Pig Care accredited pork legs

HOW TO ORDER

Return your order form:
supporthbkids@dinglefoundation.org.nz

Special thanks to our friends at Bidfood.

YOU ARE HELPING TO SPREAD CHRISTMAS CHEER

THRIVING COMMUNITIES START WITH THRIVING CHILDREN

The Graeme Dingle Foundation Hawke's Bay team delivers transformational and empowering programmes to over 1,500 tamariki and rangatahi in seven schools in our region.

The Hawke's Bay Foundation is locally governed and operated to meet the needs of our community. Currently we deliver two programmes - Kiwi Can (primary school) and Career Navigator (Secondary School). The programmes are delivered to low decile schools with high needs deprivation.

Here is a little more info on the work we do:

★ The **Kiwi Can programme** is high energy, interactive and fun to connect with primary school tamariki. Students attend a Kiwi Can Lesson once a week, every week of the school year. Kiwi Can is evidence based and outcomes focused

★ The **Career Navigator programme** delivers a significant increase in confidence for secondary school rangatahi and develops practical employment skills and increased career self-efficacy and motivation.

Your support will mean we can continue to deliver our evidence based and outcome focused programmes to tamariki and rangatahi in the Hawke's Bay region.

Thank you!

RESEARCH HAS FOUND THAT KIWI CAN HELPS TO:

- Engages students
- Reduces truancy
- Improves listening and communication skills
- Helps children play cooperatively and resolve behavioural issues
- Builds confidence

Tamariki at Te Kura o Kimi Ora and Heretaunga Intermediate get actively involved with the Kiwi Can programme

For every \$1 spent on our programmes in schools, there is \$7.80 returned value to the community
